

**July 2008**

**Dear Member**

**Sadly we are losing Grant Elliott to New Zealand. He had been a dream overseas player so let's give him a great farewell party after the Esher game [Saturday 2nd August] and hope we can finish what he has done for us and win promotion. All the sides seem to be doing very well especially Rob Taylor's 3<sup>rd</sup> XI who is stealing money off me weekly!!!**

**Don Andrews is looking for things to put on the club's website so if you have anything of interest to WCC members please let him know.**

**It is very nice to see so many of the colts parents using the club and please don't let it stop when the winter comes.**

**Quote of the Month from a National Newspaper.**

**"Very few members do responsible jobs and the remainder complain."**

**I would like all players and social members to use the food facilities that Nikki is providing.**

**A big thanks to Angela Varndall and her team for all her help with the social and fundraising. Miff has organised a great day on the 1<sup>st</sup> August with Monty Lynch's Old England XI providing a very special day.**

**I would like to thank you all for your support and help and lets hope the weathers good.**

**Kind regards**

**Wally  
Chairman**
