

September, 2008.

Dear Member

What can I say about the cricket team results, they speak for themselves. A big thanks to all the cricketers, scorers and umpires well done to all. A lot of recruitment is needed for next season. I would like to thank all my committee members for their great efforts this year and all has gone well. Please don't get upset if you are not getting enough support for all your efforts, this is what club life is all about. Please continue with all the good work you are doing no one appreciates it more than me.

You must remember this is a cricket club and will always be easier during the season. All social members can get to work and have the whole club, so lets use it. We have food available every night so please do not let Nikki waste her time. I would also like to thank all cricketers and colts parents who use the club all year round and please continue. If anyone has any ideas about making the club work during the winter months please let me know. I must say I have been a member of WCC for many, many years and this is the first time I have taken on a responsible position and it has been quite an eye opener. I have been pleasantly surprised and in the main the membership is of a high standard. I found out about a lot of things that has happened in the club and it is not until you get onto the committee you get an overall picture and generally I think we have a great club and we continue to grow in a very nice way. I didn't know very much about the colts section but I have learnt a lot this year and I am very impressed with the set-up and long may it continue.

Thank you for all your support.

Love and kisses.

Wally xx
