

June 2008

Dear Member

Well, a great start to the season, a big thanks to all the Captains for managing so well. Mike Koops who is managing the 4th XI needs a little more support from a couple of senior players to blend with all his colts. Good to see the players are using the coach this season and it seems to be showing in the results. May things keep going in the right direction?

Congratulations to Grant Elliott being selected to play for New Zealand.

Jon Molloy and all his team are going great guns and the pro for once seems to be doing all the right things, which has not always happened in the past.

NJU Catering, Nikki Unger has made a good start with the bar and catering.

On the social side Angie Varndall and her team are putting things together but all the social members must give them a lot of support.

On the sponsorship side we are still looking for a sponsor but the boards are a great help. Thanks to you all.

Let's go for the premiership next year and I would like all colts' parents using the club and enjoying the facilities.

Thank you.

Regards

Wally Mould
Chairman
